## DIRECTIONS FOR USE

When mixed, fill spray tank half full with water and add the required amount of Uptake Elite while continuing to fill tank with water. Continue agitation through the spray operation. See Precautions.

Maintain agitation whilst spraying or fertigating.

**Always agitate drum contents before use.**

## APPLICATION RATES

### Horticultural Crops:

**Foliar Spray:** 2 - 5L / ha; repeat as required.

**Irrigation:** 5 - 50L / ha; repeat as required.

Minimum dilution: 1 : 100 with water.

(1 : 150 for Almonds, Avocados, Citrus)

### Broad-acre Crops and Pastures:

**Foliar Spray:** 2-5L / ha; repeat as required.

Minimum dilution 1 : 30 with water.

Each farmer's situation and processes and practices may differ. Adjust rates and frequency of application according to production levels. Always test for compatibility and crop suitability prior to use. Seek advice for rates suited to your crop.

## TYPICAL ANALYSIS

Nitrogen 6.1% w/v

Phosphorus 3.0% w/v

Potassium 3.5% w/v

## CLEAN UP PROCEDURE

Use all mixture in spray and irrigation tanks; purge tanks and lines with clean water; flush irrigation lines. Do not return mix to original drums.

## STORAGE

Store in original container away from direct sunlight. Best Stored between 3$^0$C and 40$^0$C

Harness the power of nature

## COMPATIBILITY

Physically compatible with a wide range of commonly used products. Always mix a small quantity (jar test) and check for physical compatibility before combining with other ingredients.

When applying for the first time, or in combination with other products, a small jar test area should be sprayed and observed prior to the total spray.

Caution should be used when applying as a foliar spray in conjunction with copper or sulphur based products as increased activity of copper / sulphur my produce unacceptable levels of phytotoxicity.

## WARNING

Do not swallow. The spray from this product may act as an irritant. Avoid inhalation and contact with eyes.

Wear protective clothing, safety glasses and gloves when using this product.

If swallowed seek medical advice if adverse symptoms arise.

See SDS for further first aid and safety instructions.
